

**“I GOT A JOB FOR SIX MONTHS A YEAR. IF I BUY A VEHICLE, WHAT CAN I DO WITH IT THE REMAINING SIX MONTHS?”**

---

The job of coach driver is exposed to a number of unexpected events that could lead to the loss of working days or benefits. Also, as it is generally a seasonal business, on some dates the professional may need an extension of options to provide what's on demand. Coach hiring without driver is a response to a real problem in the transportation sector.

Adding this service to our offers gives us a solution to this problem. And we offer the professional the possibility of hiring the coach which best suits his needs at a reasonable price.

Our offers include the simple coach hire for a day, season hire, and even hire purchase. If you need a coach and you have some trouble for getting banks to finance your purchase, have a look at our sale and purchase section and contact us. We will find the best solution for you.
